

NEWS AND VIEWS . . .

And What Have You

By BOB CRAIG

Last week America was shocked by a brutal, senseless attack on one of our prominent citizens. Governor George Wallace was shot five times as he mingled with a crowd as he was campaigning for the democratic nomination for president of this country. This was the fourth time, in less than nine years, that one of our country's leading political figures has been gunned down in public.

Governor Wallace will apparently come out of this ordeal in much better shape than it was first thought possible. He likely will be paralyzed from the waist down but it could have been so much worse.

All too often now we have seen a bullet short-circuit the American political process during the past few years as we have had a president shot, a leader in the fight for racial equality gunned down and a Senator who was campaigning for president killed by a bullet. And now Wallace has been shot.

Just what affect this latest shooting will have on the selection of our next president or the destiny of this country we have no way of knowing, but it will have its effect — this we are sure of.

Texas' Senator Lloyd Bentsen makes a valid point in connection with these shootings in his newsletter this week when he says, "Yet, as stunning as these acts of violence are, they are only the tip of the iceberg. The murders of President John F. Kennedy, and Martin Luther King, and Senator Robert Kennedy; and the assault on the life of Governor George Wallace, only serve to spotlight the problem. Thousands upon thousands of average American citizens are assaulted or murdered in similar fashion every month of the year."

After each of these incidents we have heard a great cry for tougher and tighter gun control laws. But it is doubtful if this is the answer. It probably would be wise to cut off the supply of mail order guns but it is not likely that any of the above shootings would have been prevented by tighter gun control laws.

But Senator Bentsen has introduced two proposed laws that we feel would be important steps toward attacking this very serious and very complicated problem.

The first of these two measures would set up a tough mandatory sentence for anyone convicted of a crime involving firearms. The first conviction under this act carries a mandatory 10-year prison sentence. Subsequent offenses carry prison terms of not less than 25-years. Probation is not allowed.

The law would apply to anyone who uses any kind of firearm in committing robbery, assault, rape, burglary, kidnapping, or homicide — other than involuntary manslaughter.

This bill would reach the very heart of the problem where gun control laws create more problems than they solve.

His second bill makes changes in the exclusionary rule. This rule suppresses any evidence, preventing its admission in court, if law enforcement personnel commit even minor errors in gathering the evidence. Under Sen. Bentsen's bill the courts would be given an opportunity to weigh the seriousness of the criminal offense against the seriousness of the error.

We have all seen too many times where some minor technicality has been used to thwart justice.

But even these measures would only solve part of the problem. What we need more than anything else is swifter justice. We have not resolved the Sirhan Sirhan shooting of Senator Kennedy and if things run about normal it will probably be four or five years before fate of the man charged with shooting Gov. Wallace is determined.

Buddy Poppies to Be Sold Here Friday and Saturday

Commander Raymond Scifres of Veterans of Foreign Wars Post 6014 urges all citizens of this area to wear a V.F.W. Buddy Poppy on Memorial Day as a symbol of respect and appreciation for the men who have given their lives and health in the service of their country.

The Poppies will be sold by the Ladies Auxiliary and volunteers here Friday and Saturday. This will mark the 51st consecutive year of their sale by the V.F.W.

Mrs. Raymond Nichols Sr., Auxiliary president, said "Every year the people of the Hamlin area help our disabled veterans by buying Buddy Poppies. This year we have more disabled veterans than ever before, so we of Post 6014 are hoping that everyone will be backing us all the way again."

The funds derived from the sale, under V.F.W. rules, must be exclusively for welfare of disabled and needy veterans, and the widows and orphans of

deceased veterans.

Anyone wishing to make a contribution may contact Scifres, Mrs. Nichols or any V.F.W. or Auxiliary member and the money will be picked up.

Memorial Day, the organizations will be placing Buddy Poppy crosses on the auxiliary graves and a large cross under the flag at the cemetery for all veterans.

Mrs. Nichols urges, "This Memorial Day, let's all say a prayer for our men and women who are now serving as well as the veterans as they have given so much for you and me."

Mayor Joe E. Ford, in keeping with the observance, issued a proclamation urging Hamlin citizens to take part in this worthwhile project.

Mr. and Mrs. George Deaton, Georgia, Connie and Sandra visited in the home of her parents, Mr. and Mrs. Oliver Penrod in Aspermont, Sunday.

'God Is Your Director' Speaker Tells Graduates

Dr. Howard H. Hollowell, speaking to the 55 Hamlin High School graduates and an overflow crowd of relatives and friends, in the high school cafeteria Monday evening, urged the youth to "take into account that God is your director."

Using a house to symbolize one's life, the speaker asked the question, "Who is in charge here?"

In answering this, he gave three possible answers each could give: First, "I am" indicating one who asks no advice and boasts individualism, independence, and experimentation; second, "my friends," showing one who would throw away honor for good will of others; and the third option, "my enemies," leading to the warning that fear must not be a strong influence in one's life.

During his message he emphasized "The best friend that you and I have ever had is a man we have never seen (Jesus Christ)."

In conclusion, he noted that a good balance of all three of the theoretical answers was necessary for a stable, happy life and "You cannot do this without the help of God who made you."

Dr. Hollowell, a retired Methodist minister, was introduced by Supt. C. F. Cook who was a member of the Spur congregation when the speaker was pastor there.

Terri Casey played the processional. The invocation was given by W. H. (Gene) Johnston, minister of the Hamlin Church of Christ.

Announcement was also made that \$50 had been given by the class to Oak Grove Baptist Church in memory of the late Mr. I. J. Starr, who served as a class sponsor.

Think what this means:

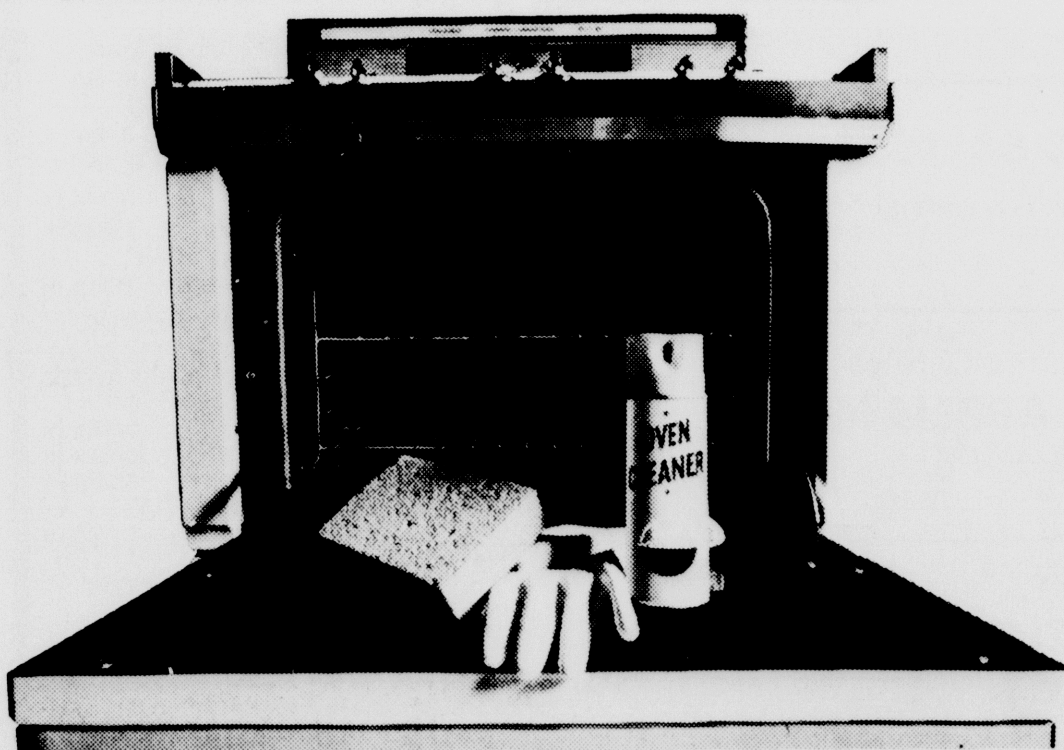

Never again will you have to go through the grimy job of scrubbing an oven (most women hate this job more than any other).

Never again will you have to face an all day cleaning job—because you've put it off too long.

NEWS FROM ...

Sylvester

by Mrs. R. M. Babb

It's cloudy and thundering and several of these houses haven't been covered since the last hail, so we are hoping it won't be too severe.

If I have my news correctly, the singing at the Methodist Church has been changed to the third Sunday night of each month.

Mrs. J. E. Tindal flew to California to enjoy a visit with her son and family.

The Newman Reunion and cemetery working will be June 3 on a Saturday. Everyone is invited to come and bring your lunch.

Mr. and Mrs. Murphery of New Mexico has been visiting with her parents, Mr. and Mrs. Fay Dozier, and while here they attended the commencement for their nephew, Warren Dozier of Anson, Texas.

Clyde Pursley, son of Mr. and Mrs. Homer Pursley, graduated from Roby High School last Friday night with the highest honors given. Clyde will be attending A&M University this summer.

Mr. and Mrs. Riggs of Abilene visited in the home of Mrs. May Hurst on Sunday afternoon.

The Buford Browns drove over to Abilene on Friday night to hear their granddaughter play in a piano recital at S&M Music Co. The young lady is Sheila Prather of Sweetwater.

Visiting on Sunday afternoon in the home of Gladys Williams were Mrs. Grady Cook, Mrs. Ernest Webb and Mrs. Levi McCollum of McCaulley, then during the weekend Mr. and Mrs. Ross Boyd of Hamlin, Mrs. Renee Thomas of Dallas, Mr. and Mrs. Jack Gann of Sylvester and her niece Dorothy

of San Angelo visited at different times.

The Vacation Bible School will begin on Monday morning, May, 29 at the Baptist Church. All children of the community are urged to attend.

We were very sorry to learn this morning of the death of Walter Estes, the husband of the former Ernestine Perkins. They lived east of town on the ranch.

Mr. and Mrs. Charles Meek had her sister from South Texas visiting over the weekend.

Mrs. Mary McClain's daughter from California is spending her vacation here with her mother and sister, Ruby. T. L. Davis of Lueders supplied the pulpit of the Baptist Church on Sunday for both services.

Mrs. Lee Sanders is in Hamlin hospital at this writing. Hope she will soon be home.

Mr. and Mrs. T. A. Douglass are vacationing in Ark. for a few days.

Woodruff Gets North Texas State Degree

Robert Woodruff of Hamlin was among the 1,287 students receiving degrees at the 82nd annual spring commencement May 16 at North Texas State University.

Woodruff, the son of Mr. and Mrs. Robert L. Woodruff, Sr., 252 Southwest Avenue E, was awarded the bachelor of business administration degree in marketing.

HAD A PARTY? That's news, call the HERALD.

Jayne Field Receives SMU Degree, Honors

Jayne Carol Turner Field received a bachelor of arts degree with honors in humanities and science at Southern Methodist University Sunday.

Mrs. Field and her husband, Mike, were among the 1200 graduates. Baccalaureate service was held at 10 a.m. in McFarland Auditorium and commencement was held at 2 p.m. in Moody Coliseum.

Mr. Field was graduated from the school of law with a juris doctor degree. He also took part in the hooding ceremony for those receiving law degrees Saturday at 6 p.m. in the Law Quadrangle.

Mrs. Fields' parents, Mr. and Mrs. J. C. Turner, attended the closing activities which also included a reception following the hooding ceremony in Lawyers Inn for parents, wives and relatives.

Mr. and Mrs. Field will be moving to Lubbock where he will be associated with Smith and Baker law firm.

A SYMBOL OF SAFETY

When the ship is in danger, we can depend on the life-boats to take us over the seas to safety. It is comforting to glance at the life-boat when the seas are rough.

Our Armed Services are a symbol of safety when our country is in trouble, when war threatens to raise its ugly head. In the past, when war has come, our servicemen have not hesitated to give their lives to protect and defend us.

There is a special Day each year when we remember and honor our servicemen who have died in the defense of our blessed country. Let us not forget, as individuals, to honor these dead and give thanks to God for those who protect us even now. Remember them as you attend church this week.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny, the truth which alone will set him free to live as a child of God.
